28 This is the third request for a continuance which is made by the defense. It  
is to allow defense counsel additional time to conduct and complete investigation  
of issues she deems pertinent to the sentence in this matter, more specifically,

3 to complete the neuropsychological evaluation of Mr. Tamayo. The basis for this  
4 continuance and the proposed dates for the disclosure and objections to the pre-  
5 sentence report have been discussed with United States Probation Officer Terry  
6 Sherbondy.

7  
8 The parties further request this Court adopt the following schedule for
